

RESUME (C.V.)

Name: Mohsen
Surname: SADEGHI

EDUCATION

University or School	Years Attended	Degree	Major
Arts et Métiers ParisTech http://www.ensam.fr/	2008-2009	Postdoctoral	Industrial Engineering
Institut National Polytechnique de Grenoble (INPG), France http://www.grenoble-inp.fr/	2005-2008	Ph.D	Industrial Engineering
Institut National Polytechnique de Grenoble (INPG), France http://www.grenoble-inp.fr/	2004-2005	Master	Industrial Engineering
Sharif University of Tech. Tehran, Iran http://www.sharif.ir/en/	1999-2003	B.Sc.	Electrical Engineering

EXPERIENCES IN

- *Information Systems, Business Process Modeling, Model Driven Engineering (MDE), Service Oriented Architectures (SOA), Knowledge Management, E-learning, Workflow Modeling*
- *Project management, Risk Management, Knowledge management in engineering design, Design and implementation of intelligent manufacturing systems, HSE, PLM and PDM systems*

PROFESSIONAL ACTIVITIES & INDUSTRY FUNDED PROJECTS

- *Employed in Wind Technologies for a position as a CEO of Iran Branch, August 2010 yet now, www.windtechs.com*
- *Invited professor at Sharif university of technology, management and economics department, September 2010, www.sharif.edu*
- *Employed in PROCTONLABS for a position as a researcher and project manager at R&D Center, July 2009 yet now, <http://www.proctonlabs.org>*
- *Employed in ENSAM for a position as a postdoctoral researcher in collaboration with CETIM (Centre Technique des Industries Mécaniques): “Supports for knowledge management in forging products development”, October 2008 yet July 2009, www.ensam.fr/*

- *A Project member*: “SmarTeam PLM Solution integration at ENSAM” as SmarTeam database administration and configuration, October 2008 yet July 2009
- *A Project member*: “GAM-project: Gam is a new project to provide a research experiment platform (MDA approach) for collaborative design in product development processes”, 2005 yet 2008 , <http://www.g-scop.inpg.fr/GAM/>
- *A Project member*: “Cluster Gospi: Organization management of production and innovation systems” included in “Co-Conception de Nouveaux Produits” section, 2006 yet 2008, <http://www.cluster-gospi.fr/>
- *A Project member* at The European Manufacturing and Innovation Research Association: “Vrl-kcip European project :The Virtual Research Lab for a Knowledge Community in Production”, 2005 yet now, <http://www.vrl-kcip.org/>
- The member of Polycom Network and Video Conferencing management system in G-SCOP laboratory, 2005 yet 2008, <http://www.polycom.com>
- *A Project member*: “Knowledge Management and Innovation Management for Bassetti Company”, Supervisor:M.Gardoni, 2005, <http://www.bassetti.fr/>
- *Employed In Behin Ertebat Mehr Company*: within the development section, during the period January-June 2004, <http://www.behincom.com>
- *A Project member at Behin Ertebat Mehr Company* : “Designing the software of DC motor for Behin Ertebat Mehr Company”, Supervisor: Prof. H. Oraee, the summer of 2003, <http://www.behincom.com>
- *A Project member*: “Pars Shahab (lamp manufacturing) Technology Evaluation”, Supervisor: Dr. Arasti, 2002-2003, <http://www.parsshahab.com>
- *A Project member at Sapco Company*: “Optimizing the Alternator of the Automobiles and Designing its Control Circuit for Peugeot Iran (Iran Khodro Co.)”, Supervisor: Prof. H. Oraee, the summer of 2001, <http://www.sapco.com/sites/sapeng/Pages/Default.aspx>

PROFESSIONAL TALKS, LECTURES AND PRESENTATIONS

- Lectures on “Knowledge management in forging industries”, CETIM (Centre Technique des Industries Mécaniques), Paris, France, May 2009, <http://www.cetim.fr>
- Lectures on “ *Collaborative Engineering*”, Department of Industrial Engineering, Sharif University Of Technology, Tehran, Iran, December 2008, www.sharif.edu
- Lectures on “ *The future of product development*”, Peugeot Iran company (Iran Khodro Co.), Tehran, Iran, December 2008, <http://www.ikco.com/default.aspx>
- The seminar on “*Developing a framework for knowledge management in the Petroleum Industry*”, Department of Research & Education , Ministry of Petroleum, Tehran, Iran, Summer 2007, <http://www.nioc.org/index.asp>
- The seminar on “*The worlds of enterprise resource planning and service-oriented architecture*”, Department of Research & Education , Ministry of Petroleum, Tehran, Iran, Summer 2006, <http://www.nioc.org/index.asp>
- Lectures on “*The role of inspection companies in technology transfer and industrialization*”, Industrial & Engineering Inspection Co. of Iran (IEI), Summer 2003, <http://www.ieico.com>

PUBLICATIONS

❖ JOURNALS

- M. Sadeghi, F. Noel, K. Hadj-Hamou, "*A collaborative platform architecture for coherence management in multi-view integrated product modelling*", International Journal of Computer Integrated Manufacturing, 2010 in press, ISSN: 0951-192x
- M. Sadeghi, F. Noel, K. Hadj-Hamou, "*Formalization of design rules to assist conflict detection in collaborative design*", International Journal of Product Development, Volume 10(1/2/3), pp.123-143, ISSN: 1477-9056
- A. Thibault, A. Siadat, M. Sadeghi, R. Bigot, P. Martin, "*Knowledge formalization for Product – Process Integration applied to forging domain*", In press by Springer at the International Journal of Advanced Manufacturing Technology, DOI:10.1007/s00170-009-1928-8, Published online: 29 January 2009, ISSN: 0268-3768
- M. Sadeghi, F. Noel, K. Hadj-Hamou, "*Development of intelligent control mechanisms to support evolution of product model during cooperative design process*", In press by Springer at the Journal of Intelligent Manufacturing, Volume 21, Issue 4 (2010), pp.539-554, ISSN: 0956-5515
- M. Sadeghi, A. Siadat, J.-y. Dantan, R. Bigot, "*Knowledge based integrated manufacturing environment*", Currently under Review by Data & Knowledge Engineering (DKE), ISSN: 0169-023X

❖ BOOK CHAPTERS

- M.Sadeghi, F. Noel, H. Chettaoui, "*A model driven framework to compare design studies from heterogeneous disciplines*", In the From Numerical Simulation to Intelligent Cooperation Book, Chapter 1: Distributed and Collaborative Design, (Revised Selected Papers from International Digital Enterprise Technology Conference, DET2008), published by Publibook in 2010

- M.Sadeghi, E. Abdi J.,H. Oraee, “*Design of an Voltage regulator*”, Proceeding of 10th National Conference on Electrical Engineering, Iran, 2002

HONORS

- Qualification for MCF (Maître de. Conference) positions in France, 2009
- Scholarship for Ph.D. study ,INPG university, France, 2005
- *First rank* among 10 Electrical Projects in Peugeot Iran (Iran Khodro Co.), 2001
- 31th rank in National B.Sc. Entrance Exam., among 100000 Participants, 1999

LECTURER AND TEACHING ASSISTANT EXPERIENCES

- Computer Applications in Industry and Engineering, Department of Mechanical Engineering, ENSAM, Metz, France, 2008- present
- Computer Applications in Industry and Engineering, Department of Industrial Engineering, INPG, Grenoble, France, 2007-2008

- Introduction to Human-Computer Interaction Design, Department of Industrial Engineering, INPG, Grenoble, France, 2007-2008
- Computer Networking and information systems, department of Mathematics and Computer Science (UFR IMA), Joseph Fourier University, Grenoble, France, 2007-2008
- Project Management, Department of Industrial Engineering, , Grenoble, France, 2006-2007
- Knowledge Management, Industrial Engineering Department, INPG, , Grenoble, France, 2006-2007
